Welcome to worship and life at St. Andrew's!  
Sunday Worship at 9:00 & 10:30 am

December 2016  
Advent Wed worship at 12 noon & 7 pm

Dear friends,

Welcome to Advent!

In the Church, Advent is a season of contrast: growing light in a time of growing darkness outside (at least up here in the Northern Hemisphere). One blue candle lights the wreath, then two, then three, and four as Advent weeks pass and we come to Christmas.

Dietrich Bonhoeffer, in a sermon for the First Sunday of Advent (in 1933), likened it to being a miner trapped in a mine disaster but straining to hear the rescuers coming to help him.

He notes: *The moment even the most courageous miner has dreaded his whole life long is here. It is no use running into the walls, the silence all around him remains....*

*But suddenly a noise that sounds like tapping and breaking in the rock can be heard. Unexpectedly, voices cry out, "Where are you, help is on the way!" Then the disheartened miner picks himself up, his heart leaps, he shouts, "Here I am, come on through and help me! I'll hold out until you come! Just come soon!" A final, desperate hammer blow to his ear, now the rescue is near, just one more step and he is free.*

*We have spoken of Advent itself.*

*(A Testament to Freedom, p. 235)*

I realize that this is a far different picture than that presented in the busy American life – where many folks are hanging lights and decorations, shopping, cooking, cleaning – dashing through the snow!

That's OK! Just when the daylight is headed to its shortest time for us, the Advent candlelight grows greater and greater. We opt for quieter, simpler worship in the face of busy and sometimes noisy celebration in the world. Advent does contradict the externals around us to help us with some of our "eternals" inside of us.

Can you see yourself as the miner – trapped by something in your life so that you long for relief and release?

The gospel texts this month will invite us to listen to John the Baptist, who called his people to a renewed relationship with God even as they languished in deep political misery as a conquered people.

We aren't a conquered people as Americans but we recognize the powers that bind us into ways of life that aren't life-giving, patterns of actions that harm us and others – in situations that our faith tradition identifies as sin.

So maybe we can see ourselves as the miner caught in the disaster – needing to hold on until rescue comes.

And it is surely coming – God has promised and God keeps promises. God promises in Jesus Christ to rescue us from sin and evil. And so we hope in the promise of God, to work our freedom from sin, and to bring us out *so that we might walk in newness of life.* (Romans 6:4)

And in that newness, we get to be part of God's rescue efforts for others – for our hungry neighbors, the one in nine people everywhere in this world who are hungry today, who don't have enough food or any food, today.

We are invited to be part of God's rescue for them, whether they live in Oshkosh or some other part of our world.

Thank you for being a people engaged in hope – the hope of Advent, hoping in the growing light, hoping in the promises of God, eagerly awaiting God's rescue and joining in the ongoing rescue of our brothers and sisters wherever they may be in God's creation. In Advent hope, may God's peace be yours!

Yours in Christ, Pastor Karen Jewell

*A complete set of minutes is available on the narthex bulletin board.*

*Advent Wednesday noontimes*

*12 noon to 1:30 pm  
Nov 30, Dec 7, 14 & 21*

Feel free to come to worship 12 noon to 12:30 each Wednesday as we get acquainted with the people who prepared the way for Jesus to be born!

Following worship we have a light lunch while we study some of the great biblical texts of Advent and Christmas carols. You are welcome to bring a food to share but need not bring anything to take part.

*Advent Wednesday evenings*

*6:00 to 7:30 pm  
Nov 30, Dec 7, 14 & 21*

Please join us on Wednesdays in Advent for a light supper at 6pm and an intergenerational lesson: we are learning the Christmas story in Luke 2 by heart.

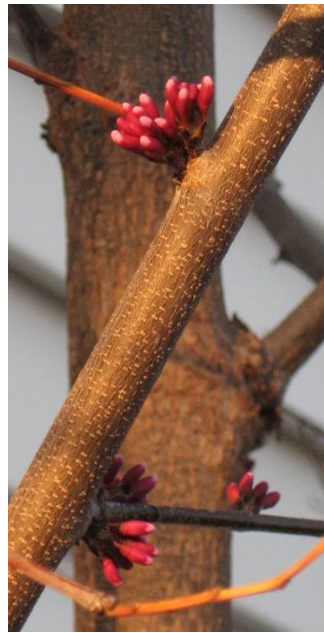

The meal and lesson will be followed by a half hour Advent worship at 7pm. (Our confirmation students will help to lead these worship services).

Our goal is to be able to tell the Luke 2 story by heart with our own families on Christmas Eve! We will learn using story teller's techniques, as well as coloring pages and other creative activities.

Each Wednesday we will offer a light supper – you are welcome to bring a dish to pass if you are able, but please plan to come regardless! We are excited to see our storytelling and faith grow!!!

On the final Advent Wednesday, Dec 21<sup>st</sup> we will offer a slightly longer (approx. 45 minute) Blue Christmas worship at 7 pm. This is a quiet, candle lit, and gentle way to enter the Christmas holidays, especially for anyone who is experiencing grief at the holidays.

Don't forget, confirmands: on Wednesday, December 28 – no class during the Christmas school break. On Wednesday, January 4, we resume studies in the Psalms!

*A shoot shall come out from the stump of Jesse, and a branch shall grow out of his roots.*

(Isaiah 11:1)

The prophet Isaiah looks back at the kingship of David – the son of Jesse. David was just a humble shepherd and the youngest of Jesse's sons when God chose him to become the King of Israel. And he would become a great king.

As Isaiah looks back at the history of David's kingdom, he also looks forward into the future that God promises – the future King that will be the shoot sprouting from the stump of Jesse. And that King will be filled with God's Holy Spirit – that King will be our Lord Jesus Christ!

In this season of Advent, we listen to Old Testament prophets in our worship and hear the hopes they had as they looked forward to Jesus' coming. It is a time of radical hope – looking to God to accomplish a rescue desperately needed, a rescue from powers that conquered and robbed God's people of freedom and well-being.

So it is for us, who look back at the year now ending and see how much we need God.

Advent is a season of repentance, a turning back towards the One who reaches out to us. God may reach you and me through prophets or through the sweetness of our children leading us in worship. Either way, God touches our hearts and brings forth new life.

God keeps on inviting us to turn around and reconnect with God. Advent is invitation, and gift, and in the face of discouragement and faltering strength, Advent is the season of radical hope that our God rescues, redeems, renews – even us!
