Welcome to worship and life at St. Andrew's!  
Sunday Worship at 9:00 & 10:30 am

January 2017  
Annual Meeting January 29 at 10:30 am

Dear friends,

The New Year of 2017 is here and we are poised on the edge of new adventures.

Our Christian Action group is exploring providing lunch meals for children in the month of August, when all the school based resources are closed for the school break.

We were invited into the process of exploring and developing this mission by our sister congregation, Our Savior's Lutheran Church on Wisconsin St.

And they were excited by the program that was offered by Christ Lutheran (on Church Ave) for the last few years. And we heard that St Mary's Catholic parish is also developing a site for lunch meals during August

So a wonderful chain of hope has begun, that is attempting to address one facet of the problem of hunger among our children in Oshkosh.

Deep thanks go to those who are organizing and inviting. Deep thanks to God for inspiring and empowering us to take part in this new mission!

In the meantime, we are tackling communications with a renewed emphasis on our social media and website – to try to do a better job of equipping you, our Saints at St Andrew's, with the opportunities for mission and education and worship.

Jane Martinez and others of our leaders have just completed a very needed revision of our constitution and by-laws for the congregation to bring it up to date with our national and synodical ELCA constitutions and by-laws.

And when you look over our Annual report for 2016 you will not only see how much was accomplished last year, but also some of our hopes and dreams for this year!

What are the hopes and dreams you seek for this year? What would you like to accomplish, begin, renew or explore?

Our God is all about inspiring you with hopes and dreams and empowering you for the life you are meant to live!

Martin Luther believed that we each have many callings – for example, we are called to be in relationship with the family we have been given by God's grace: as a child, and perhaps as a spouse or sibling or parent.

Then there are the callings of work, citizenship, interests and passions, all given us by God to pursue and find delight in – to God's glory.

Our chief calling is as a child of God. We Christians see it as a calling to follow the Lord Jesus Christ in pathways of service to others.

This helps us understand and carry out the work we do and the relationships that we have in this life. This helps us find the meaning in life that we seek.

Sometimes we need to get a new start. The New Year reminds us of all the things we want to do better, do over, or start doing.

When you need to start from SQUARE ONE, and begin all over again, don't forget that you are a child of God.

If you start from that place in the center of God's love and mercy, you start with all the powers of the Spirit to help you on your way.

We remember, as Luther liked to say, that we have been BAPTIZED – and that gives us a clear place to begin and begin again. So go for it! Begin anew!

May God bless you in this New Year – and always.  
--Pastor Karen Jewell

## Highlights of Church Council Meeting

Tuesday 16th December, 2016

**Present:** Pastor Karen, Jane Martinez, Matt Moore, Chris Ziegler, Jay Klinger, Warren Luce, Peg Olson, Rose Rivera, Jakob Iversen

**Excused:** Kristi Cutts, Linda Ellman, Ann Stephan

**Guests:** Tom & Marcia Galica, Arlene Shultis, Carol Spiegelberg

**Treasurer's report:** Matt Moore presented the November bills paid, and the balance sheets were presented. Profit and loss statement for year to date vs budget & year to date vs previous year were presented. Motions made and carried to approve all reports.

### Old Business:

**Feed the Children:** Carol Spiegelberg updated the council as to the progress that the Feed the Children committee has made since the idea was presented to the council at the November meeting. It was decided that it would be best if St. Andrew's could host its own program. This would keep the meals close to the neighborhoods that we are reaching out to, and keep from having to cross a main arterial road. Funds have already been sought through Thrivent, and the committee is currently seeking additional donations of money, supplies, as well as food, from local businesses and local groups. If you want to know more, or would like to volunteer/donate, please contact Carol. Motion made and approved to allow the Feed The Children committee to continue to pursue donations and establish St Andrews as a location to feed the local children, in the area, that are in need of meals during the month of August. This will include the setting up of a "Giving Tree" to allow the congregation to donate needed items if they so desire.

**Grounds Security:** Warren Luce informed the council the new lighting and light repairs/adjustments have been completed. Staff and volunteers have diligently monitored the doors and windows before leaving, and there has not been any additional occurrences of doors/windows being left unlocked.

**Nominating Committee:** Jane Martinez relayed the information that she had received from Kristi Cutts regarding filling the positions that will be voted on at the annual meeting. All positions are filled except for two of the council member positions. The nominating committee will meet again and try to find volunteers for the two upcoming vacancies.

**AED Electrodes:** Jane Martinez informed the council that she will be making the purchase of an additional set of AED electrodes, to be able to be used for training purposes, within the next week or two. The purchase of the electrodes was approved by the council at November's meeting, and the money is to come from memorial funds.

**Review of 2017 Budget:** (discussion): Matt Moore presented the second draft of the 2017 budget as determined by the finance committee. The council discussed revised budget, and discussed raises for employees and staff. The council agreed that they wanted to include a 1% merit raise in the budget, and still present a surplus budget to the congregation at the Annual Meeting in January. Motion made and carried to approve the budget with the addition of the 1% merit raise.

### New Business:

**Worship & Music Committee Requests:** Peg Olson asked if the cost of a third large print hymnal and the purchase of a new music stand for the choir room be made using memorial funds. Motion made and approved.
