Welcome to worship and life at St. Andrew's!  
Sunday Worship at 9:00 & 10:30 am

March 2016  
Lenten Wednesday worship 12 noon and 7 pm (March 2, 9, 16)

Dear friends,

There is a snowdrop blooming behind my house. It is so very demure and humble – just barely an inch or so above the mostly frozen ground. But it is blooming in this sometimes mild, sometimes sharply colder winter weather.

The courage of that little flower draws me out the back door to see how it is doing each day. It cheers me that that little life is humble but very determined in the face of inhospitable conditions. And it is quite beautiful – a pearl white head nodding on a bravely green stem.

It is a symbol of deeply resilient life. The kind of life that manages to be filled with beauty in the face of very daunting conditions.

Human beings are very like that little snowdrop. We are resilient, courageous, and determined to make life work out.

Resilience is a huge quality – the kind of faith, courage, and character that keep on seeking life and doing the best we can in the face of the things that challenge us.

Resilient faith stands the tests and goes on being faithful. But how do we develop resilient faith? How do we cultivate it in our children, and in those who are seeking a new start?

There is a part of me that longs to believe that faith is something that we can make – some wonderful formula of practice and design. But that would fly in the face of the wisdom of our tradition.

We Lutheran Christians believe that faith is a gift of the Holy Spirit – not something we can manufacture or grow independently of God. And yet faith is not something that simply happens to us – like a bunch of snow falling off the tree branch and onto your head!

Faith resides at the meeting place between God and us. In our Romans bible study we learned that Paul thought of Jesus as the place where God and humanity meet. And that is the place where our faith lives.

Luther said that “Faith is the Yes of the heart.” God reaches out to us and we humbly and joyfully welcome the maker of all things.

Luther in his Preface to the book of Romans wrote this: *Faith is a living, bold trust in God's grace, so certain of God's favor that it would risk death a thousand times trusting in it. Such confidence and knowledge of God's grace makes you happy, joyful and bold in your relationship to God and all creatures.*

I hope and pray that in these days leading up to Easter and on into Spring you will find yourself meeting God again and again, so that your faith may be full and resilient and joyous.

May you know God's love, may you know God's peace, and may your heart say YES – whatever may be your situation in this crazy world. And may that YES bring forth beauty – tender, humble, unexpected and quite brave.

Yours in Christ,

Pastor Karen Jewell

Lent 2016: Create in me  
a new  
heart, life, beginning,  
hope,...faith!

God took what was dust and ashes and breathed life into being. We take time in Lent to remember our "created-ness" so that we may turn in trust to our Creator. We remember how he took on our life as a human being so that we know God's love and mercy right where we live. We remember how Jesus took on our death to show us that God's promise means life in spite of all that opposes it.

We would like to thank you for your presence at St Andrew's in worship, and to thank you for your devotion to God revealed in ministry and mission. We invite you to consider supporting the mission and ministry of St Andrew's with your gifts.

Please feel free to make your gifts to St Andrew's electronically, if that is best for you! You may use your smart phone technology: If you would like to give an offering electronically here is the short URL: <http://bit.do/stagiving> or the QR Code:
